

EJC 2008 – call for performers

While planning the gala show of EJC 2008, we are looking for innovative, cool, funny, original, mind-blowing, creative acts from the international juggling community! If you have an act (juggling, unicycling, acrobatics, ...) that matches one or even more of these criteria and want to perform it in front of a thousand jugglers – this is your chance!

Application details

Your application should contain

- a video of your act (best are unedited videos without cuts, filmed from front)
- your contact details (phone / email / postal adress / your website)
- any further information about your act

Please note: photos of your act can't substitute for a video!

Submitting your application

Send your dvd and your contact details to

EJC 2008
c/o Stefan Zimmermann
Sonnenstrasse 3

If the video of your act is available on the internet, you can also apply via email instead of sending your dvd. To do so, send the link to your video and your contact details to show@ejc2008.de

The deadline for applications is 1st of May 2008. We'll send out answers to all applications, please give us time to do so!

Looking forward to seeing your act,

your EJC 2008 Team
